... In Ministry

We are the Church, and God constantly renews our faith, so that we can tend our part of the Kingdom of God. This book is a visual record of the people and organized groups of Saint Augustine Parish Community who attempt to hear God's call.

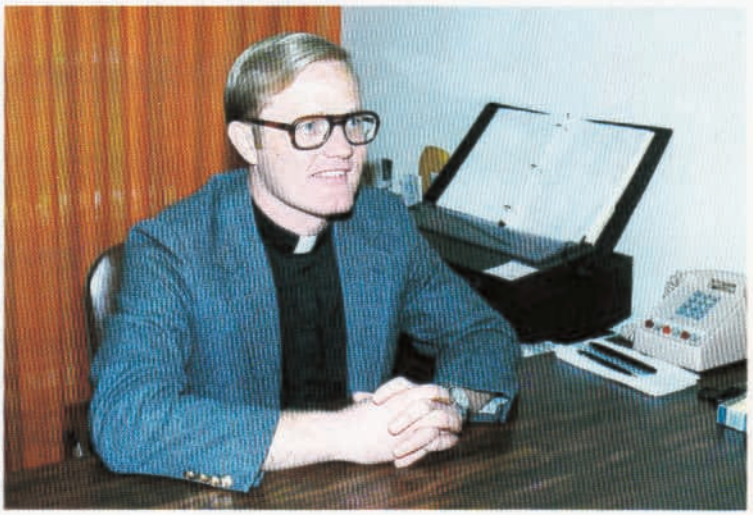

The Parish Council, who initiated this project, discovered from our RENEW program that hospitality begins at home. There are many people we see at Church but whose names we cannot recall. Hopefully, this book can provide a tool to meet other parishioners, to marvel at the way our youngsters have grown, and to celebrate our sense of being God's family.
