Passing On The Faith ...

Our last pictorial directory was in 1987. And the Parish Council decided that we should have an updated version since so many new people have moved into St. Augustine Parish. This book is a visual record of the people and organized groups in our parish who attempt to hear God's call and participate in building up the Kingdom of God.

There are so many people we see at Church but whose names we cannot recall. Hopefully, this provides a tool to meet other parishioners, to marvel at the way our youngsters have grown, and to celebrate our sense of being God's family.

The Parish Council and I would like to thank all those parishioners whose dedication made this directory possible.
