Reverend Tom Brenberger, C.PP.S.

Dear Parishioners,

In his First Letter to the Corinthians, St. Paul speaks about a local church: "Now you are Christ's Body, and individually parts of it. Some people God has designated in the Church to be, first, apostles; second, prophets, third, teachers; then mighty deeds; then, gifts of healing, assistance and administration.

We are the people of St. Augustine Parish, working and worshipping together, helping to make Christ present in our community. This Parish Directory tells us who we are as a family. Hopefully it will be a tool to provide names for the persons that you meet at church, as well as a pictorial record for future generations.

A special thanks is due to the committee of volunteers who spent many hours and much effort in planning and coordinating the production of this book. Thanks also to those who chose to be included in our family album.
