ST AUGUSTINE ~ ST JOSEPH PARISH CLUSTER 2004

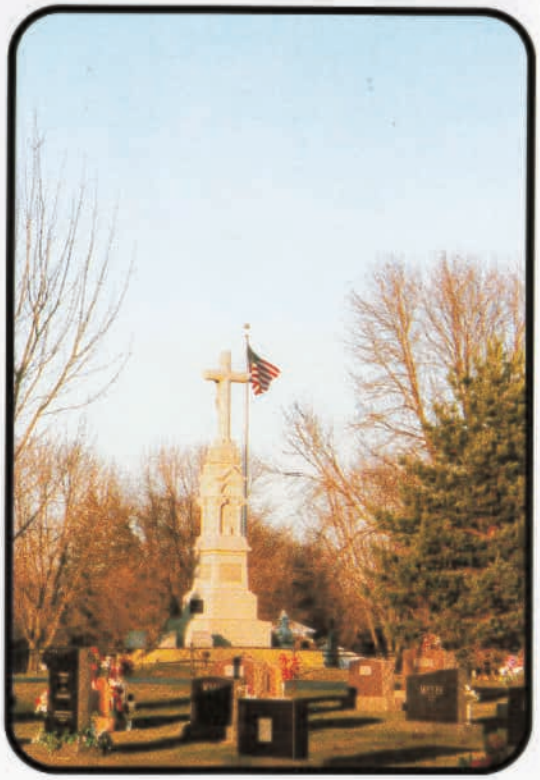

Like watchman so silent -
Do the twin towers stand -
Through quiet and turmoil -
O'er St Augustine land -

May they ever rise tall -
Before time's ebbing stand -
Their crosses the pathway -
Unto His loving hand -

Our Clergy and Staff

Reverend
Louis Schmit, C.PP.S.
Pastor

Dear Members of our Parish Cluster,

This DIRECTORY embodies a new beginning for our two parishes. It is both a living and historic realization that we are one in the Body of Christ through our baptismal call and our families that bind us with the heritage of faith. Our DIRECTORY is a gift you have given of your time and love to those who will make their homes here, those entering our family of faith and those visitors seeking to become acquainted with our unique and historic village. It is a photo album of our faith family as we begin this new Millennium.

Thank you Linda Kitzmiller and your team for the painstaking work and persistence in bringing this artistic endeavor to completion. Thanks, too, to those who chose to be a part of this "labor of love."

May the Lord bless us in the years ahead; enrich our lives with lively faith and the vision of the kingdom until we all are united in the Glory of God.

Our Parish History

The history of a parish should be more than the simple telling of administrative events or the story of brick and mortar, although such is important. More importantly, it must concern itself with the sacrifices, labors, and prayers of the faithful and pastors of the parish. It is to be the story of the people of God living out their faith. It must tell of their struggles and failures, of their vitality, and of the fruit they bear. Saint John Chrysostom has said that if you desire to know the nature of a peoples' faith, then go into their church and observe the art. A measure of the fruitfulness of this parish is hopefully evident in the accomplishments of its past and that the depths of its faith can be glimpsed from the beauty of its church.
