A Note From Father...

Fr. Steven L. Shoup
Pastor

Dear Parishioners
and Friends of St. Michael Parish,

A pictorial directory captures a parish in a moment of time. At this moment in our history, parishioners of St. Michael are determining short- and long-range planning for the parish's campus. St. Michael Parish has joined Sts. Peter & Paul Parish to become a pastoral region. We are working out the details of having one pastor for two parishes. And finally, the number of households in St. Michael Parish continues to increase, experiencing the growing pangs of an even larger parish. May God continue to guide and inspire our parish as we strive to do God's will.

I wish to dedicate this directory to the men, women and children of the past, present and future who call St. Michael Church their parish.

I thank all parishioners who chose to be a part of this parish directory. I acknowledge and thank Shelly Barhorst and her directory helpers who volunteered many hours to the creation of this directory. I acknowledge and thank our parish photographers, Ann Bollheimer, Ellen Wehrman and Don Behr, for the candid and group pictures that are featured in this directory.

May God bless our parish as we continue in our mission of spreading and living the Good News of Jesus Christ in our homes, parish and communities.

I hope the use of this directory will help us grow as a faith-filled and loving Christian community.

Yours in the Peace of Jesus Christ, our Savior,

Fr Steve

On February 1, 2005, St. Michael Parish in Fort Loramie and Sts. Peter and Paul Parish in Newport began sharing one pastor, the Rev. Steven L. Shoup (pastor of St. Michael Church since 1999). Both parishes belong to the Archdiocese of Cincinnati where planning for fewer priests in the future has led to the development of pastoral regions. A pastoral region consists of one or more parishes that have at least 2000 worshippers on any given weekend. These regions will have one pastor.

The primary change for both parishes will be the weekend Mass schedule. Both parishes will function as separate parishes with one pastor. However, both parishes will explore ways of using their resources more effectively within the pastoral region. With the support and cooperation of both parishes' leadership and parishioners, Father Shoup, who celebrated 20 years as a priest last year, said he looks forward to meeting the challenges of being pastor of two parishes.
