

Sts. Peter and Paul Church

Dear Parishioners of Sts. Peter & Paul:

OCTOBER, 2010

We are now in our 154th year of existence. The original church was built in 1856. Sts. Peter and Paul started as a Mission Church and continued as a Mission Church until 1893 when Father Michael Russell was appointed Pastor.

One record of interest was reported in 1881 by Father J. J. Roth. There were 20 families – one English speaking, nine German speaking and ten French speaking. There were 13 baptisms – seven boys and six girls. The church was valued at $600. Mass was celebrated once a month, on the first Sunday.

In 1902 extensive renovations were made to the church and rectory. Reports indicated there were 80 families – two English, 23 German, and 55 French. There were 22 baptisms. The church was valued at $15,000.

In April of 1937, the original church was demolished to make way for the new and current church. Just ten months later, on January 23, 1938, mass was said in the current Sts. Peter and Paul Church. During this time of construction, services were held at the former Methodist Church.

Following the completion of the church, the parish house was built. This parish house was completed and Father Herrmann, the pastor of Sts. Peter and Paul, moved in on September 21, 1941.

In the following years several additions of property were added. Some of these land additions were property covered in trees and brush. The parishioners did major grading, leveling, sodding, blacktopping and upgrading on these additions. Today's cemetery, parking lot and ball field were part of these projects.

In 1956, at the end of the church's first 100 years, there were 170 families. There were 33 baptisms. The number of grade school children was 174, while there were 58 high school children.

The next fifty years saw the cemetery and parking lot extended. A new altar was built. The church's interior was painted, along with decorative painting done on the wall behind the altar. At the turn of the new millennium, the rectory's interior was completely renovated. In the summer of 2005, the rectory received a new roof and a year later a new handicap ramp was built.

Sts. Peter & Paul parishioners continue to celebrate our heritage with our annual Turkey Festival, Softball Tournament, and Parish Picnic. We continue to grow in the love of the Lord and one another.

We give God thanks for those who have supported our parish in the past, in the present, and we ask for continued support in the future.

May God bless you and your families… Fr. Steve
